Business and Financial Analyst

Description

At Karnipuna Advisors, we are a leading business consulting firm focused on helping organizations enhance their strategic decisions, streamline operations, and improve financial performance. Our expert team collaborates with clients from various industries to provide actionable insights, guiding them toward greater success. We are looking for a highly motivated and skilled Financial Planning & Analysis Consultant to join our team and work closely with our CEO to deliver financial insights that drive client success.

The resource will be responsible for coordinating with multiple clients, obtaining and analyzing financial forecasts, preparing detailed financial statements, and providing actionable recommendations for improving financial performance. You will work directly with the CEO and be part of a dynamic team that provides invaluable support and strategic advice to our clients.

Job Location

Hyderabad, Telangana, India

Skills

Advanced proficiency in financial modelling and analysis.

Strong understanding of financial statements and business performance metrics.

Exceptional communication and interpersonal skills with the ability to build and maintain client relationships.

Strong attention to detail, with the ability to analyse complex financial data and present it in a clear and actionable way.

Ability to work independently and manage multiple priorities in a fast-paced environment.

Proficient in Microsoft Office Suite (Excel, PowerPoint, Word) and financial software tools.

Responsibilities

- **Client Coordination:** Build strong relationships with multiple clients, gathering financial data, forecasts, and business performance metrics. Regularly communicate with clients to ensure data accuracy and timeliness.
- **Report:** Reporting to CEO.
- **Financial Forecasting & Analysis:** Prepare, analyze, and present financial forecasts for clients, ensuring alignment with business objectives and strategies.
- **Financial Statement Preparation:** _____
- **Performance Insight:** Identify trends, financial risks, and opportunities for cost optimization within client organizations. Provide data-driven insights and recommendations to improve financial performance.
- **Strategic Guidance:** Collaborate with senior leadership and clients to develop long-term financial strategies, helping clients achieve sustainable
